

Year 5 Homework

Friday 25th April 2014

We hope that you have all had a lovely break and an enjoyable first week of the summer term. We have nearly finished our submissions for Apps for Good and hope to have these handed in early next week. We have also been sharing our reading from the Easter reading challenge.

Below is your homework for the weekend. Remember that it will need to be handed in by next **Wednesday** (Wednesday 30th April). If you finish it before then, you can bring it in earlier.

Maths

We have been looking at perimeter and area in maths this week. You should think about which of these areas of maths that you would like to practise and choose the appropriate sheet.

English

We have started learning about the features of persuasive writing in English. Your homework is to identify whether some questions are rhetorical or not. Please complete this work in your English Homework book.

Forest School

We **will** all be doing Forest School on Monday so please remember your **old clothes, waterproof coats and wellies**. It will be very muddy so spare carrier bags may also be useful.

Art

We have arranged for Nigel Meager, from the University of Cambridge, to deliver a day of collaborative art next **Wednesday**. We will be getting quite messy and suggest that you wear some **old clothes to school** on this day to avoid ruining your uniform.

If you find the homework tricky, please come and tell one of us so that we can help you.

Have a great weekend,

The Year 5 Team
