

Year 5 Homework

Friday 28th February 2014

We have had a great first week back. We were particularly proud of how you have spoken to the many visitors that we have had this week about your learning. Thank you for being so brilliant!

Below is your homework for half term. Remember that it will need to be handed in by next **Wednesday** (Wednesday 5th March). If you finish it before then, you can bring it in earlier.

English

Here are your next ten spellings. We have talked about strategies to help with learning the words:

- Writing the word out several times to build hand memory. Joining your letters will really help with this.
- Putting the words into sentences.
- Look, cover, write, check.
- Getting your family to test you.

1.	communicate
2.	community
3.	controversy
4.	correspond
5.	criticise
6.	determined
7.	develop
8.	dictionary
9.	embarrass
10	environment

If you have time, try to think of some ideas for your nonsense poem that we will be writing on Monday.

Maths

We have been re-visiting capacity in maths this week. You have been converting measures and designing some tasty fruit smoothies. The design process also allowed you to investigate how a company prices a product and makes a profit. Your homework is to build on your conversion skills.

Forest School

We **will** be doing Forest School on Monday so please remember your **old clothes, waterproof coats and wellies**. It will be very muddy so spare carrier bags may also be useful.

If you find the homework tricky, please come and tell one of us so that we can help you.

Have a great weekend,

The Year 5 Team
