

Year 5 Homework

Friday 7th February 2014

You have all been very enthusiastic about writing your entries for Radio 2's 500 Words competition. You have some great ideas and we are looking forward to reading your work.

Below is your homework for this week. Remember that it will need to be handed in by next **Wednesday** (12th February). If you finish it before then, you can bring it in earlier.

Maths

We have been looking at the properties of triangles in maths this week. Your homework is to identify types of triangles and other polygons. Make sure that you use a ruler and a sharp pencil to draw any shapes.

French

We are learning about body parts in French. Can you match the words to the parts of the body on the image? This exercise will help to prepare you for some writing that we will be doing next week.

Reading

Please remember to read your reading books over the weekend and get your parents to sign your reading records so that you can earn your golden stars.

Forest School

You will not need Forest School kits on Monday but we would like you to have some trainers in school please.

If you find the homework tricky, please come and tell one of us so that we can help you.

Have a great weekend,

The Year 5 Team
