

# Year 5 Homework

Friday 10<sup>th</sup> January 2014

Welcome back year 5! We have started the year by celebrating Mrs Peacock becoming a Dame and we are looking forward to lots more exciting activities and events this term. We have also welcomed our 2 new class pets which are giant African land snails and we are thinking about names for them.

Below is your homework for this week. Remember that it will need to be handed in by next **Wednesday** (15<sup>th</sup> January). If you finish it before then, you can bring it in earlier.

## Maths

We have been revisiting place value and number skills in maths this week. We are focussing on our rounding skills. Your homework is to practise rounding numbers. Try to challenge yourself with your homework rather than just choosing the easiest option.

## English

You have been looking at word class with Mr Davy and your homework is to practise sorting words into the different categories (noun, adjective, verb and adverb) and write some sentences using these words.

## Topic

We have started our new topic of Countries this week. Please think about which country you would like to focus on for the rest of the term over the weekend. You need to have chosen a country by next Tuesday.

## Reading

Please remember to read your reading books over the weekend and get your parents to sign your reading records so that you can earn your golden stars.

## Forest School

There will be no forest school next week. We will all be cooking. You **do not** need to bring in a container or forest school clothing.

If you find the homework tricky, please come and tell one of us so that we can help you.

The Year 5 Team
