

Year 5 Homework

Friday 17th January 2014

We have had another brilliant week in year 5. You have impressed us with your hard work and concentration, you have impressed visitors to the school with your enthusiasm for learning and you impressed Nigel, the visiting artist, with your ability to work collaboratively. Well done.

Below is your homework for this week. Remember that it will need to be handed in by next **Wednesday** (22nd January). If you finish it before then, you can bring it in earlier.

Maths

We have been looking at how to use calculators to help us with our maths this week. Your homework is to practise these skills by solving some problems.

English

We have been learning about the differences between direct and reported speech in English this week. You are all very confident with direct speech and most of you are able to punctuate it correctly too. Your homework is to change direct to reported speech. Remember to put it in the past tense and third person.

Reading

Please remember to read your reading books over the weekend and get your parents to sign your reading records so that you can earn your golden stars.

Forest School

There will be no forest school next week as we will be having a film afternoon to say goodbye to Ryan.

If you find the homework tricky, please come and tell one of us so that we can help you.
