

Year 5 Homework

Friday 24th January 2014

You have been wonderful ambassadors for our school this week sharing your work, carrying out tours and talking about your learning. Thank you for doing this; the visitors enjoy hearing directly from a children's view point.

Below is your homework for this week. Remember that it will need to be handed in by next **Wednesday** (29th January). If you finish it before then, you can bring it in earlier.

Maths

We have been revisiting shape in maths this week. We have talked about the properties of shape including parallel and perpendicular lines. We have started to look at symmetry too. Your homework is to further explore parallel and perpendicular lines. **Make sure that you use a ruler and sharp pencil to draw any shapes.**

English

This week we have been learning how to write good character descriptions and we have been impressed by the quality of your work. Well done. We are going to start writing our Diary of Wimpy Kid style recounts next week and, in preparation for this, you need to keep a diary of things that have happened over the weekend. You only need to make notes of events not write long descriptions e.g.

Friday

- Had pizza for tea
- Dad fell asleep on sofa
- Stayed up late and watched a film

You will need to have this information for Monday's lesson.

Reading

Please remember to read your reading books over the weekend and get your parents to sign your reading records so that you can earn your golden stars.

Forest School

We **will** be doing Forest School on Monday so please remember your **old clothes, waterproof coats and wellies**. It will be very muddy so spare carrier bags may also be useful.

If you find the homework tricky, please come and tell one of us so that we can help you.
