

Year 5 Homework

Friday 14th March 2014

We have had another busy week which included sharing our learning with visitors from China.

Below is your homework for half term. Remember that it will need to be handed in by next **Wednesday** (Wednesday 19th March). If you finish it before then, you can bring it in earlier.

English

Here are your next ten spellings. We have talked about strategies to help with learning the words:

- Writing the word out several times to build hand memory. Joining your letters will really help with this.
- Putting the words into sentences.
- Look, cover, write, check.
- Getting your family to test you.

individual
lightning
muscle
neighbour
occupy
occur
opportunity
parliament
physical
recognise

Maths

This week, we have been practising how to interpret graphs. Your homework is to build on these skills and show us that you can understand information presented in graph form.

Forest School

We **will** be doing Forest School on Monday so please remember your **old clothes, waterproof coats and wellies**. It will be very muddy so spare carrier bags may also be useful.

If you find the homework tricky, please come and tell one of us so that we can help you.

Have a great weekend,

The Year 5 Team
