

Year 5 Homework

Friday 28th March 2014

We hope that you all enjoyed our tour of London and the visit to the British Library. The staff that we worked with were very impressed with your knowledge and enthusiasm. Well done.

Below is your homework for the weekend. Remember that it will need to be handed in by next **Wednesday** (Wednesday 2nd April). If you finish it before then, you can bring it in earlier.

Maths

We have continued to work on division methods in maths. Your homework is solve some division problems using the bus stop method. If you are struggling with this, then you may use chunking instead.

Forest School

We **will** be doing Forest School on Monday so please remember your **old clothes, waterproof coats and wellies**. It will be very muddy so spare carrier bags may also be useful.

If you find the homework tricky, please come and tell one of us so that we can help you.

Have a great weekend,

The Year 5 Team
