

Year 5 Homework

Friday 16th May 2014

We have had a great week! We have looked at narrative poetry, fractions and made plays about the life cycle of a frog.

Below is your homework for the weekend. Remember that it will need to be handed in by next **Wednesday** (Wednesday 21st May). If you finish it before then, you can bring it in earlier.

Maths

This week, we have been revisiting fractions and decimals. Your homework is to find equivalent fractions to order fractions.

English

You will be tested on **list 5** next week for spellings.

We have been learning about the features of narrative poetry this week. Your homework is to investigate metaphors by matching two parts of famous proverbs. Complete this in your English homework book.

Forest School

We have Forest School on Monday. **You will all need your wellies and your Forest School kit as it may be muddy.**

We will be going to the Celtic Hut on Tuesday morning; **you will need to bring your wellies** to school.

If you find the homework tricky, please come and tell one of us so that we can help you.

Have a great weekend!
