

Year 5 Homework

Friday 2nd May 2014

We have had another great week. You all worked brilliantly on Wednesday with Nigel Meager to create some superb pieces of collaborative art. We will be displaying them in the hall shortly.

Below is your homework for the weekend. Remember that it will need to be handed in by next **Wednesday** (Wednesday 7th May). If you finish it before then, you can bring it in earlier.

Maths

This week, we have been practising adding and subtracting decimals. You should think about which of these areas of maths that you would like to practise and choose the appropriate sheet.

English

You will be tested on **list 3** next week for spellings.

French

You are going to identify whether an object is masculine or feminine. Complete on the sheet on the back of this page where there are further instructions. Bon chance!

If you find the homework tricky, please come and tell one of us so that we can help you.

Have a lovely weekend,

The Year 5 Team
