

Year 5 Homework

Friday 9th May 2014

What an exciting week- you are now award winning actors! Congratulations, we are all very proud of you!

Below is your homework for the weekend. Remember that it will need to be handed in by next **Wednesday** (Wednesday 14th May). If you finish it before then, you can bring it in earlier.

Maths

This week, we have been revisiting multiplication methods. Your homework is to use your preferred method to solve some multiplication questions. There are examples of each method on the sheet.

English

You will be tested on **list 4** next week for spellings.

Forest School

We will be visiting the stream on Monday to see if your rafts float. **This means that you will need wellies.** You won't be able to go into the stream if you are not wearing them. If you have waterproof trousers, please can you bring those too. We will be walking near the farmer's field that is currently growing rape seed. If you think might be allergic to this, please ask your parents to talk to us.

If you find the homework tricky, please come and tell one of us so that we can help you.

Have a great weekend film stars!

The Year 5 Team
