

Year 5 Homework

29th November 2013

We have been working hard during our rehearsals for our Christmas play. We have also had our last Saracens tag rugby lesson; we hope that you enjoyed these sessions with Becky and Nick. Thank you for working so hard on your Aztec projects. We are looking forward to sharing them with Mrs Peacock on Aztec day. We will be sending a letter home next week about the final three weeks of term.

Below is your homework for this week. Remember that it will need to be handed in by next **Wednesday** (4th December). If you finish it before then, you can bring it in earlier.

Maths

We have started looking at fractions this week. We have revisited fraction terms and begun to think about equivalent fractions. Your homework is to practise finding equivalent fractions. You should do this in your maths homework books.

English

We have been learning how to write instructions this week. Can you write instructions for one of the activities on the sheet? You should complete this in your English homework books.

Christmas Play

We are so impressed by the fact that you now all know your lines- very well done year 5. You now need to apply your efforts to the songs! We are a little worried that you only seem to know the first verse and chorus for each song. We need you to know the words to the whole songs as soon as possible so that we can create a brilliant show. We know that you can meet this challenge!

Reading

Please remember to read your reading books over the weekend and get your parents to sign your reading records so that you can earn your golden stars.

Forest School

There will be no forest school next week.

If you find the homework tricky, please come and tell one of us so that we can help you.

We look forward to seeing you all at the Christmas Fair on Sunday!
The Year 5 Team
