

# Year 5 Homework

8<sup>th</sup> November 2013

We have had a busy first week back! We have been visited by some teachers from Norfolk and by a film crew preparing an educational film. We have made our Christmas card designs (which will be coming home to parents next week) and started rehearsing for our Christmas play.

Below is your homework for this week. Remember that it will need to be handed in by next **Wednesday** (13<sup>th</sup> November). If you finish it before then, you can bring it in earlier.

## Maths

We have been looking at solving word problems in maths this week. Your homework is to choose a challenge and solve the problems. Remember that you need to underline the key facts and work out the number of steps so that you know what you are being asked to do.

## Christmas Play

Keep practising your lines so that you start to know them off by heart ready for our rehearsals.

## Aztec Project

Some of the Aztec projects have started to arrive in to school. They are looking fantastic and are an inspiration to those children who still have some work to do.

**The Aztec projects are due in by:**

Aztec day will be on Monday 16<sup>th</sup> December. The children will share their work with each other and Mrs Peacock and there will also be an opportunity for families to come and look at all of the children's work too. A letter will be coming home shortly about this.

## Reading

Please remember to read your reading books over the holidays and get your parents to sign your reading records so that you can earn your golden stars.

## Forest School

If you are in the **Elm** Forest School group (Gabriel, Travis, Oscar, Ezra, Esin, Huan, Elaine, Sylvie, Aimee and Abigail) please bring a plastic container with a lid to take home your cookery. You should always have your forest school kit with you on a Monday.

If you find the homework tricky, please come and tell one of us so that we can help you.

We hope that you have a great weekend, Year 5 Team
