

Year 5 Homework

11th October 2013

We have had a fantastic book week. We hope that you have enjoyed meeting authors, swapping books and sharing stories. We certainly have!

Below is your homework for this week. Remember that it will need to be handed in by next **Wednesday** (16th October). If you finish it before then, you can bring it in earlier.

Maths

We have been looking at 2D and 3D shapes this week. Your shape knowledge is very good but we have noticed that quite a few of you are finding the spelling of shape words tricky. Your homework is to either complete a shape word search or a shape related crossword. There is also a platinum challenge for those who like to solve problems.

Literacy

We have been practising comprehension skills using pictures rather than text. This was an interesting way of extending your thinking and inference skills. Well done. We are not setting you any homework for English this week as you have now been given information about your Aztec projects (separate sheet).

Reading

Please remember to read your reading books over the weekend and get your parents to sign your reading records so that you can earn your golden stars.

Forest School

If you are in the **Elm** Forest School group (Gabriel, Travis, Oscar, Ezra, Esin, Huan, Elaine, Sylvie, Aimee and Abigail) please bring a plastic container with a lid to take home your cookery. You should always have your forest school kit with you on a Monday.

If you find the homework tricky, please come and tell one of us so that we can help you. Have a lovely weekend.
