

Year 5 Homework

18th October 2013

It has been another exciting week in year 5. We enjoyed a visit from Mexicolore and created piñatas in class. Have a look at all the photos on our blog. We also started our tag rugby lessons with Becky from Saracens.

Below is your homework for this week. Remember that it will need to be handed in by next **Wednesday** (23rd October). If you finish it before then, you can bring it in earlier.

Maths

We have been looking at data handling in maths this week. You are all great at interpreting data from tables and bar line charts. You have also practised drawing bar line graphs. Your homework is to build on these skills by completing one of the challenges on the sheets. There is also a platinum challenge for those who like to solve problems.

Don't forget to learn your chosen times table for the challenge too!

Literacy

We have been editing our stories that we wrote with Andy Cope this week in English. Again, we are not setting you any homework for English this week as you are all hard at work on your Aztec projects. We have been very impressed by your enthusiasm for this and look forward to seeing the finished results!

Christmas Play

We have given you part of the script for the Christmas play. Please familiarise yourself with all of the parts in preparation for auditions on Wednesday. **You do not need to know the words off by heart.** We have also given you a cast list. Please choose 4 parts that you would be happy to be given and complete the attached sheet. You should give us the completed sheet at the audition.

Reading

Please remember to read your reading books over the weekend and get your parents to sign your reading records so that you can earn your golden stars.

Forest School

If you are in the **Beech** Forest School group (Erdin, Christopher, George, Ryan, Eden, Daniella, Ann-Marie, Millie, Nasiba and Sofi) please bring a plastic container with a lid to take home your cookery. You should always have your forest school kit with you on a Monday.

If you find the homework tricky, please come and tell one of us so that we can help you. Have a lovely weekend. Year 5 Team
