

Year 5 Homework

4th October 2013

This week, we have learnt about multiples and factors, investigated pitch and loudness and practised our fantastic Aztec dances.

Below is your homework for this week. Remember that it will need to be handed in by next **Wednesday** (9th October). If you finish it before then, you can bring it in earlier.

Maths

We have been learning about factors and common multiples in Maths this week. Choose a challenge and see if you can complete the task. You should do this in your Maths homework book. There is also a problem to solve for the platinum challenge.

Literacy

This week we have edited our short stories about a fib or a hobby. Your homework is to write a short story including one or more of our spellings for this week, which were: lightning, muscle, bargain, excellent and dictionary.

Reading

Please remember to read your reading books over the weekend and get your parents to sign your reading records so that you can earn your golden stars.

Forest School

If you are in the **Oak** Forest School group (Lewis, Ross, Jack, Daniel, Ellie, Isabel, Jessica, Kayla, Phoebe, Lily-May) please bring a plastic container with a lid to take home your cookery. You should always have your forest school kit with you on a Monday.

If you find the homework tricky, please come and tell one of us so that we can help you. Have a great weekend.
