

Year 5 Homework

20th September 2013

This was another busy week. We have made maths videos, tried our new style Forest School sessions and investigated sound. Well done.

Below is your homework for this week. Remember that it will need to be handed in by next **Wednesday** (25th September). If you finish it before then, you can bring it in earlier.

Maths

We have been looking at multiplying and dividing by 10, 100 and 1000 in Maths this week. Choose a challenge and see if you can complete the task. You should do this on the sheet and stick it neatly into your Maths homework book.

Literacy

We have been continuing to explore narrative structure in Literacy, looking at reporting verbs, author style, predictions and idioms. Your homework is to work out the meanings of some idioms and to see if you can find some more. This should be done in your literacy homework book.

Reading

Please remember to read your reading books over the weekend and get your parents to sign your reading records so that you can earn your golden stars.

Forest School

If you are in the **ELM** Forest School group (Gabriel, Travis, Oscar, Ezra, Esin, Huan, Elaine, Sylvie, Aimee, Abigail), please bring a plastic container with a lid to take home your cookery. You should always have your forest school kit with you on a Monday.

Important: You should also have wellies in school on Tuesday for an extra Forest School session in our Celtic hut.

If you find the homework tricky, please come and tell one of us so that we can help you. Have a great weekend.
