

# Year 5 Homework

6<sup>th</sup> September 2013

We have had a fantastic first week in Year 5. We have really enjoyed getting to know you all and you have all impressed us with your teamwork and positive attitudes. Well done everyone!

Below is your first Year 5 homework. Remember that it will need to be handed in by next **Wednesday** (11<sup>th</sup> September). If you finish it before then, you can bring it in earlier.

## Maths

We will be looking at place value in Maths next week. Choose a challenge from the sheet and practice writing numbers as words and figures. You should do this in your Maths homework book and remember to write the date and which challenge you have chosen at the top of the page. If you are not sure which to choose, start with silver and then try one of the others.

## Reading

Please remember to read your reading books over the weekend and get your parents to sign your reading records so that you can earn your golden stars.

**Don't forget your forest school kits on Monday.** Miss O'Hagan and Miss Tanton will be taking you out to complete a couple of interesting tasks.

If you find the homework tricky, please come and tell one of us so that we can help you.

Well done again for a wonderful first week and have a lovely weekend.

Year 5 Team
